# Thanks to You!

***We receive NO government Funding!***  
Our ministry is 100% funded by the generosity of caring individuals like YOU who share their resources – time, talent, and treasure – to help God’s children.

***Every child has an Opportunity!***  
Your support ensures that NO child or family is ever turned away because they cannot afford the services of Show-Me.

Dear Friends,

Thank you for being a vital part of Show-Me Christian Youth Home. Young lives continue to be Rescued and Restored here!

Let me highlight a few things from this last fiscal year:

- **Eight amazing students graduated** and continue to progress toward a productive adult life. We proudly support each one, because children should not “age-out” of a system that supported them – they should “age-into” healthy adults through programs that continue to support them.
- **Two homes progress toward completion.** Thanks to a combination of donated items and volunteer support, the homes are coming in well below budget. Soon, sounds of laughter will ring through the halls as children find the safety and shelter they deserve in a Show-Me family.
- **Though the fiscal year ended “in the red,” we claim a banner year.** The operating income does not reflect the nearly \$200,000 of “in-kind” donations, nor the hundreds of thousands in cash and donated items for the capital campaign. Praise God, big things are happening around here!
- **We were able to increase the number of children we could accept** due to the donation of the new home in Lincoln. It’s quite an asset to the ministry and quite a blessing to many more young lives.

Reflecting on this last year, I see God’s fingerprints all over the place! Whether you’re new to the ministry or have offered support for decades, I welcome you to add your fingerprints to God’s mission to Rescue and Restore even more Young Lives in the year ahead!

With Great Expectations,

A handwritten signature in white ink that reads "Chad".

# How We Help

## *Giving Children and Families Hope Beyond the Struggle*

Show-Me's methods of restoration offer more than simply a house in which kids live temporarily as they grow up. For over 50 years, children continue to find a safe, stable, loving home and family with layers of support geared toward their current and future success.

With the guidance of professionals, Show-Me creates an environment customized for each child to thrive, all provided from a Christian worldview.

## Home & Family

- *Traditional family setting with 6-8 siblings led by a set of trained houseparents*
- *Family structure teaches respect for authority and provides healthy role models*
- *Children contribute to the needs of the family, find a security in belonging, and develop empathy and responsibility*

## Counseling

- *Licensed Professional Counselors support each child's emotional, psychological, and spiritual needs*
- *Provides a safe place to process through overwhelming feelings and events*
- *Works with houseparents to help families address new coping methods*

## A Community of Support

- *Not just any "village to raise a child" but an engaged, Christ-centered neighborhood*
- *Constant and consistent atmosphere of love and encouragement*
- *Volunteers and church communities enhance an environment of support*

Realizing the extra benefits a campus community can offer, all of Show-Me's satellite homes will be located near a larger parent campus.

- Blue = Main La Monte campus
- Green = New Drysdale campus
- Brown = Future northern campus

# Rescued & Restored: Jennie Hackworth

*Restoration that spans generations*

Everyone knows Jennie to be a confident, determined woman. It is a stark change from the 15-year-old girl who first came to Show-Me: a confused, heartbroken teenager, who was terrified no one might ever want her.

*If her own mom and dad didn't want her, how could anyone else?* This lie relentlessly echoed in her head. It had blinded her to the love her family had tried to give her since they adopted her at the age of five. Over the years, Jennie's doubt and anger spiraled out of control into a destructive cycle. Feeling trapped and unable to resolve this on their own, she and her adoptive family turned to Show-Me.

Show-Me was a fresh start. Removed from the tension, Jennie could deal with the problem, not feel she was the

problem. She felt free to be herself, growing in confidence and finding many new talents. "I was surrounded by so many people that took me under their wing and provided guidance, even if I didn't want it or feel that I needed or deserved it," Jennie stated.

***"I was surrounded by so many people that took me under their wings, even if I didn't want it or feel that I needed or deserved it"***

That kind of unconditional love changed her. It was the voice of encouragement she needed to overcome the doubts, fears, and lies that once paralyzed her. She has dedicated her life to being an inspiring voice for other young lives. Since graduating in 1992, Jennie remained heavily involved with her Show-Me family. She has served

in many different roles at Show-Me and continues to volunteer wherever needed. "I always wanted to help kids see their worth," Jennie said. "I am able to bond with the kids because I have been there."

With her Show-Me family's support, Jennie has been able to heal the once severed relationships with both her biological and adoptive mom, which she deeply desired. As an adult, she met her biological father for the first time. These bonds continue to grow and flourish, bringing a restoration that spans past and future generations.

Active in her community and well-respected in her career field, Jennie is also a loving wife, a proud mother, and a doting grandmother. The world is a better place because Jennie is a healthy part of it!
